

# PROFILE

## Scott Young

/ Partner & Senior Vice President

Scott has more than 18 years in the consulting industry. During his career, Scott has worked with clients across multiple industries, but his experience over the past 7 years has been focused on providing unique business solutions to some of the industry's leading retail and consumer products companies. Scott's focus is finding ways for his clients to optimize their web channel along with creating a consistent multi-channel experience. Scott provides leadership in e-business strategy development, e-commerce implementations, technology assessment and selection, and large technology integrations. Scott's core role within Brulant is to maintain executive client relationships and ensure the quality of client engagements. Scott serves as the leader of Brulant's Retail and Consumer Goods Practice and is also very active in the community, serving on multiple charity / civic boards.
